Dear Parents & Caregivers

Welcome back for Term three to all our pupils and families.

Term three is a ten-week term. Term 3 Calendar - please see enclosed information further on.

There are a number of major events this term:

- Three Way Learning conferences will be held on **Monday 13 & Tuesday 14 August, 3.30 – 7.30 pm** on both days. This is a really valuable time to hear about your child's progress & achievement up until the mid year.  
Parents / caregivers can bring their child/ren's most recent report with them as this supports the information being discussed at the learning conference. (See booking information further on.)
- The school ski trip to Porters, in conjunction with a winter's activities day at school for pupils not going skiing, will be held on Tuesday 11 September. (See enclosed information further on.)

### **Emergency Procedures:**

The school has a text messaging system that is used to contact families in emergency or school closure situations.

The school's notification procedures are:

1. A text message system – in the event of an emergency or school closure, we will send a message via the school phone App to advise of the situation at school & updates on opening dates / times
2. A message will be placed on the main school phone advising parents of the situation at school
3. Where possible, school closure messages will be placed on the Breeze radio station
4. The emergency telephone tree will be actioned, if no.s 1 – 3 above can't be activated.
5. Check with neighbours, friends if you think there is potential for the school to be closed but you haven't been contacted – emergency communication can be tricky e.g. weather, earthquake

For these procedures to operate effectively, it is vital that we have the correct cell phone numbers for all families please.

We have a busy time ahead and we are looking forward to all that this term will offer.

**BOOK WEEK 2018**  
**Week 4 – Monday August 13th – Friday August 17th**

Hi everyone!

This year there is going to be a 'SUPER SECONDS' Book Sale during Book Week as well as the Scholastic Book Fair. It's time to sort through all your books and see if there are any you no longer read and need. Please donate your old children's books if are still in good condition for others to buy and enjoy. You can start bringing in your books this week and give them either to your class teacher or drop them off in the library. Children who donate 10 books or more get a 'free pick' ticket to use at the stall during book week.

We really appreciate your donations and thank you in advance for your contributing in this way.

In addition Librarians and teachers are busy preparing for another awesome Book Week, full of fun reading related activities and opportunities for children to further develop their love of books. We invite you to become fully involved in this exciting week by supporting your children with lots of book talk and by sharing your favourite books. You could pop in and read to the class – they would love it!

Some planned activities so far are....

- A visiting author
- A snuggle up and read session for the juniors
- Teachers swapping classes and sharing stories
- Buddy reading /quiz sessions
- Visits by people in our community to share their favourite stories
- Grand book character parade assembly – to be held on the Thursday
- A week long Scholastic Book Fair in the hall
- Guess the teacher competition

**Start thinking now about your book character costume – there will be prizes for the best in each year class!**

**Parent Concerns Procedure:** Enclosed in this newsletter.

It is a requirement of the school that parents are kept regularly informed of important school procedures. This week the Parent Concerns procedure is enclosed. The school's procedures receive ongoing evaluation and are often updated. All school procedures can be located on [www.schooldocs.co.nz](http://www.schooldocs.co.nz)

### **Term 3 Community News Deadline will be Friday 14 September:**

Please note the deadline for the term three edition of the Community News. Articles and advertisements for the term three edition of the Community News should be emailed to [office@westeyreton.school.nz](mailto:office@westeyreton.school.nz), or faxed to school at 312 5896.

### **VOLUNTARY DONATIONS:**

We would like to clarify the following payments that we ask parents for during the course of a school year.

With increasing costs, the grants from the Ministry of Education are not sufficient to cover the basic items required for the school.

West Eyreton is a decile 10 school, and as such, receives less Ministry funding for supporting the learning needs of all students. All lower decile schools receive much increased MOE funding compared to our school. The BOT is therefore required to fund the additional learning support required.

As the board is obligated to remain on budget, and, if without parent voluntary contributions, some additional educational opportunities may be unavailable.

At present an annual school donation is requested from each family. This is \$30.00 per child per term, a total \$120 per year. **This is a voluntary donation which will be added to your school account & please note that this payment is optional.**

The donation money is used to enhance the learning opportunities for all children, through providing extra materials, facilities and resources.

This can be paid either as a lump sum, termly, fortnightly, monthly, or by direct debit, to the school's bank account ANZ 01-0877-0006193-00 over the year.

Income Tax Credit: parents may qualify for an income tax credit from Inland Revenue in relation to donations made to the school.

### **OTHER PAYMENTS:**

During the year there will be activities, which require extra payment to cover the costs involved. These will be shown ahead of time on Term Calendars; you will be informed if you are asked for a voluntary contribution, or if there is a compulsory charge, for your child's involvement.

Voluntary contributions will be for activities, which are run as part of the school curriculum.

Other charges for extra curricular activities, which are run to enhance your child's learning experience but are not needed to fulfill curriculum requirements you can choose to pay. You will need to send your agreement & payment in advance, thereby authorising your child's involvement.

**STATIONERY:** Payment must be made for the purchase of goods or services, but only after a parent has freely chosen to make the purchase e.g. a stationery pack bought from the school rather than from a downtown retailer.

### **POLICE VETTING SCHOOL PARENTS:**

The new Health & Safety legislation advises all organisations to take every opportunity to put good safety checking processes in place to keep its children safe.

The West Eyreton School BOT hugely appreciates the excellent support that parents provide to our staff & pupils.

The BOT has revised its Child Protection procedures, and in the interests of pupil safety, all parents likely to help in the school will be encouraged to undertake a police vetting check.

If as a parent helper, it is likely you could participate with pupils in an unsupervised position, or you provide transport for other children, then you are encouraged to undertake a police vet.

Examples of the types of activities requiring parent police vetting are:

- ☐ sports coaching in school grounds / buildings
- ☐ transporting pupils to events beyond the school
- ☐ parent help on school camps

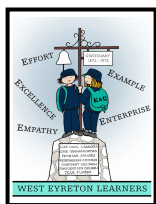

The school will send you a police vetting form, which you return confidentially to the Principal who then processes your police vet through the on-line Police Vetting service.

If you would like to read about the police vetting process, please go to <http://www.police.govt.nz/about-us/publication/online-vetting-user-guide>

The vetting process takes a minimum of 20 working days. Vetting forms will also be added into pupil enrolment packs. The police vet will remain current for a period of three years.

If you require a police vetting form, please contact the school office and a form will be sent home to you.

J Gallagher - Principal.

### Guidelines for Informal Complaints

Our primary goal is to create the best learning environment for the students of our school. We encourage open communication and prefer that parents come to us to talk through a problem rather than discuss it in the community.

These are recommended guidelines for parents making informal complaints.

1. Discuss the issue with the right person.
  - If the matter is a **general issue**, discuss it with the person concerned or a member of the management team or the principal.
  - If you have a **complaint about a staff member**, contact the person involved and discuss the matter. We ask that parents make this direct approach as soon as possible. Be prepared to make a time to discuss your complaint if the staff member is unable to talk with you straight away. Be open to listening to the other side of the story to avoid communication breakdowns.

If you do not wish to approach the person concerned, contact a member of the management team or the principal to resolve the matter. The principal or management team member may communicate with the staff member concerned.

- If you have a **complaint about one of our students**, contact the student's class teacher or the principal to discuss the matter.
- If the matter concerns the **principal** and you have not first resolved it by discussion, or you feel uncomfortable directly approaching the principal, contact the chairperson of the board of trustees.
- If the matter concerns a **board member**, contact the chairperson of the board of trustees, or board member if it concerns the board chair.

If you complain to a board member, you will be encouraged to resolve the issue with the guidelines above, and the board member will inform the principal and board chair.

2. Work towards a resolution.

- In most cases, constructive discussion will resolve the issue.
- If you are unhappy with the outcome of your initial meeting, contact the principal, a member of the management team, or the board chair to discuss further resolution. They will consider and respond to the complaint as appropriate.

If an informal meeting does not resolve your concern or complaint, you can make a [\*\*formal complaint\*\*](#).

If a staff member is the complainant (including complaints about colleagues), the same procedure must be followed, commencing with an initial discussion with the people concerned to try to resolve matters.

The school monitors and records any concerns about student safety

# West Eyreton School Calendar Term 3 2018
